

Parcel Identification Number (P.I.D.N.) KRS 382.335

KRS 382.335(4) Allows a county to require specific requirements.

In Kenton County all document filings that pertain to Real Estate must include a Property Identification Number (PIDN) for each property.

Property Identification Numbers (PIDN) are created by the Property Valuation Administrator and are used for the indexing, mapping and tracking of real estate.
